## GENERAL GUIDELINES:

Parents must remain in the Club while their children are in KC unless participating in extended care or preschool.

KC use is for members and program participants only. Guests participating in Club programs may use KC services on a drop-in, space available, basis. No advance reservations will be taken for guests.

No sick children are allowed in KC. CAC reserves the right to refuse service to sick children.

Children who exhibit continuous inappropriate behavior will be removed from KC. If a child is removed twice in one week, a one-week suspension for all KC use will be assessed.

We do not change diapers or feed children. We will locate parents if needed for these activities.

There is a 2 ½ hour time limit for children ages 1 to 8 years old. Infants 3 to 12 months must limit their stay to 1 hour maximum.

"Late pick-up" fees will be charged to members who exceed the KC time limit.

**We are a nut-free environment.**
