# Swim Lesson Requirements

*The following skills are requirements to advance to the next level.*

At Columbia Athletic Clubs we work to distinguish ourselves by providing a quality learning environment with an emphasis on instruction, safety and small classes. We believe the fundamentals components to success in swimming stem from focusing on safety fun positivity and providing you swimmers with a technical skill set that they can depend on for years to come. We combine these core beliefs with a customer service driven approach to registration and coordination. We do all this because we genuinely care about your child's experience in the water.

How do I know what Level to enroll? Your child should be able to successfully demonstrate all the skills in the Level before moving to the next Level. So, choose a Level that your child can do some, but not all of the skills outlined.

## Level 1

This level is about being comfortable in the water, safety and preparing to learn swimming skills.

Jump in and return to wall with assistance. Hold breathe at least 10 sec and blow bubbles. Assisted front float, assisted back float, kicking front and back. Front glide for 3 ft and front glide with kick for 6 ft.

## Level 2

This level will introduce the strokes and kick as well as side breathing and jump in from the side.

Freestyle with side breath, prepare for backstroke, introduce breaststroke kick and prepare to transition to the big pool. Head bobs, supported side glide and get comfortable going to the bottom of the pool and can surface independently.

## Level 3

This level will focus on freestyle and back strokes and introduce

elementary backstroke and breaststroke kick.

Students will learn freestyle backstroke and elementary backstroke during this Level. They should be able to swim each discipline for at least 12.5 yards. They will start to tread water, can circle swim and safely jump in and get to the side.

## Level 4

This level will introduce streamline starts and increasing distance to at least 50 yards of each stroke.

Students will perform streamline off the wall starts. Can swim at least 50 yards freestyle, backstroke and elementary backstroke. Eggbeater, dolphin and scissors kicks are introduced. Will be introduced to sculling for treading water and tuck and pike for surface dives.

## Level 5

Swimmer will learn to swim breaststroke with correct timing and technique, as well as the full butterfly stroke. Performs open turns and has begun to learn flip turns. They will tread water using sculling arms and eggbeater, breaststroke or scissors kick for 2 minutes. Swim a minimum of 25 yards sidestroke.

## Level 6
