JUANITA BAY GROUP EXERCISE CLASS DESCRIPTIONS

Aqua Zumba

Known as the Zumba “pool party,” Aqua Zumba blends music and movement into a safe, challenging, water-based workout. It’s cardio-conditioning, body-toning, and most of all, fun!

Barre Fusion

Barre Fusion is a hybrid workout class combining ballet-inspired moves with elements of Pilates, dance, yoga and strength training. This class will incorporate a ballet barre and uses classic dance moves such as plies, alongside static stretches. Barre Fusion will also focus on high reps of small range movements, leaving you as fit as a dancer!

Calisthenics and Core

Enjoy a body weight workout with little to no equipment that will help to improve coordination, flexibility and strength! Complement that calisthenics workout with some core to work on balance and stability, putting the finishing touches on a whole body, complete class!

Cardio H2O

Just as its name would indicate, you can expect a workout that will elevate your heart rate with cardio moves, exercises and drills! We use water and buoyant equipment as resistance to take your water workout next level!

Cycling

Follow your instructor through a variety of drills such as intervals, speed, and hill climbs on our Stages SC3 cycle bikes. This class is a great cardio workout and a lot of fun. New participants should arrive 10 minutes early for proper bike set up!

Full Body Fit

This full body blast of a class combines strength, cardio and conditioning. Heavy step work along with some dumbbells, resistance bands and even more for a tip to toe burn! Finish with core work and stretching for a complete workout!

Fusion Flow
