

## About Silver Lake Junior Tennis

Silver Lake Junior Team offers year around tennis training for students ages three to eighteen. We offer beginner classes for every age. Aside from our developmental program that covers all ages, we offer a high performance program for ages ten to eighteen where students set their goals towards college tennis and beyond.

We strive to teach much more than tennis and are proud to offer you a program where our students feel more like a family than opponents. Simultaneously we strive to teach rock solid fundamentals, tactics, mental fortitude, physical fitness, and overall general health.
