Swim Lesson Requirements

The following skills are requirements to advance to the next level.

At Columbia Athletic Clubs we work to distinguish ourselves by providing a quality learning environment with an emphasis on instruction, safety and small classes. We believe the fundamentals components to success in swimming stem from focusing on safety fun positivity and providing you swimmers with a technical skill set that they can depend on for years to come. We combine these core beliefs with a customer service driven approach to registration and coordination. We do all this because we genuinely care about your child's experience in the water.

How do I know what Level to enroll? Your child should be able to successfully demonstrate all the skills in the Level before moving to the next Level. So, choose a Level that your child can do some, but not all of the skills outlined.

Parent Tot

These Parent Tot classes will focus on an introduction and exposure to water. Here we will work on water adjustment and the pure enjoyment of being in a warm water pool. We will require parent involvement in the water as we introduce swim motions and simple movements to prepare for more independent learning in L1 Group lessons.

Level 1

This level is about being comfortable in the water, safety and preparing to learn swimming skills.

Jump in and return to wall with assistance. Hold breathe at least 10 sec and blow bubbles. Assisted front float, assisted back float, kicking front and back. Front glide for 3 ft and front glide with kick for 6 ft.

Level 2

This level will introduce the strokes and kick

as well as side breathing and jump in from the side.

Freestyle with side breath, prepare for backstroke, introduce breaststroke kick and prepare to transition to the big pool. Head bobs, supported side glide and get comfortable going to the bottom of the pool and can surface independently.

Level 3

This level will focus on freestyle and back strokes and introduce elementary backstroke and breaststroke kick. Students will learn freestyle backstroke and elementary backstroke during this Level. They should be able to swim each discipline for at least 12.5 yards. They will start to tread water, can circle swim and safely jump in and get to the side.

Level 4

This level will introduce streamline starts

and increasing distance to at least 50 yards of each stroke.

Students will perform streamline off the wall starts. Can swim at least 50 yards freestyle, backstroke and elementary backstroke. Eggbeater, dolphin and scissors kicks are introduced. Will be introduced to sculling for treading water and tuck and pike for surface dives.

Level 5

Here we introduce flip turns, butterfly and increase endurance to at least 100 yards. Swimmer will learn to swim breaststroke with correct timing and technique, as well as the full butterfly stroke. Performs open turns and has begun to learn flip turns. They will tread water using sculling arms and eggbeater, breaststroke or scissors kick for 2 minutes. Swim a minimum of 25 yards sidestroke.

Level 6

This is our Pre-Competition level. Completion of this will prepare swimmer for Swim Team try outs.

Swimmer will be able to swim a minimum of 25 yards butterfly. Able to perform flip turns for freestyle and backstroke. Swims breaststroke with correct arms and legs for competitive swimming. Knows how to use the time clock for sets and is able to swim 4 x 50 sets of Free, back and breast strokes.
