Swim Lesson Requirements

The following skills are requirements to advance to the next level.

At Columbia Athletic Clubs we work to distinguish ourselves by providing a quality learning environment with an emphasis on instruction, safety and small classes. We believe the fundamentals components to success in swimming stem from focusing on safety fun positivity and providing you swimmers with a technical skill set that they can depend on for years to come. We combine these core beliefs with a customer service driven approach to registration and coordination. We do all this because we genuinely care about your child's experience in the water.

Each child will receive a progress report at the end of the session which will include information on next enrollment level.

If you are new to our Group Lesson program please contact Aquatic Director, Christyh@columbiaathletic.com to schedule a 15 min. swim assessment.
